

# K Pă Y San Hy

IT Intern

**Dob:** 15/03/2002 **Gender:** Male

Phone: 0855654656

Email: sanhysky@gmail.com

Website: https://github.com/sanhy02

Address: 559 quốc lộ 50 - Bình Hưng - Bình Chánh - TP HCM

## **OBJECTIVE**

IT student with a solid foundation in web development (HTML, CSS, JavaScript, React). Passionate about creating user-friendly applications and eager to gain professional experience. Strong ability to learn quickly, work in teams, and adapt to new challenges.

#### **EDUCATION**

## **College of Information Technology**

Information Technology

During my studies at the College of Information Technology, I have consistently maintained stable academic performance with noticeable improvement each semester.

- Cumulative GPA: 3.05/4.0 Classified as Good.
- Successfully completed all compulsory and elective courses.
- · Achieved good results in several core subjects, including:
  - Fundamentals of C Programming (8.0 B+)
  - Introduction to Java Programming (8.3 B+)
  - System Analysis & Design (6.7 C)
  - Object-Oriented Programming (7.8 B)
  - Fundamentals of Web Programming (8.4 B+)
- Strengthened practical skills through courses such as Web Design, Basic PHP, Java, and SQL.
- Consistently received Good conduct evaluation throughout my academic journey.

These achievements demonstrate my effort, self-learning ability, and adaptability to new technologies, providing a solid foundation for my career path as a Front-end/Full-stack Developer in the future.

#### **WORK EXPERIENCE**

08/2024 - 06/2025

# **Personal Introduction Website**

#### **Font End**

- Link: https://sanhy02.github.io/Introduction/
